RELEASE OF LIABILITY FORM

I have requested to take the essay portion of the Kentucky bar examination by laptop rather than writing the answers by hand. I fully understand that the use of electronic technology in completing my answers to the essay portion of the examination carries with it some risks, such as power failure, computer failure, etc. However, I have decided that the convenience of typing answers outweighs any risks that might result from a malfunction or power failure. e.g. loss of material or delays that could adversely affect the quality of my answers.

Since this decision is my decision and is voluntary in nature, I hereby release the Office of Bar Admissions, the software company, their respective officers, directors, employees, agents and affiliates, and any other person, fund or entity related to either of them from any liability it may have relating to my having taken the bar examination by laptop. Through my signature on this document is my intention that this release be sufficient grounds to have any suit related to problems resulting from my taking the essay portion of the bar examination by laptop summarily dismissed.

In the unlikely event that there would be a problem such as a malfunction or power loss it is my understanding that I would be provided the opportunity to use the remaining time to write my answers by hand. However, I fully understand that in no event would I be permitted extra time or be given any other concessions to complete the examination.
